UNIQUE FEATURES:

- A one-of-a-kind negative edge pool overlooking the city 3,100 ft. below
- Elaborate gardens
- World famous restaurant serving New Jamaican cuisine
- **Strawberry Hill Living** – integrates the Elemental Nature philosophy developed by Aveda with the entire property providing guidance to ensure a fulfilling and, if necessary, a transformative retreat.

ACCOMMODATIONS:

Strawberry Hill features 12 Georgian-style cottages including: one bedroom, deluxe studios and deluxe villas. Cottages embody traditional 19th century Georgian architecture with interior details to create a romantic atmosphere: dark mahogany four-poster beds draped with a delicate canopy of muslin netting; French doors; thick louvered windows; and spacious private verandas.

Each cottage features hand-carved fretwork with different themes. Jamaican art and photographs of famous musical artists and groups decorate the walls. Bathrooms are simply furnished with terra cotta and hand-glazed tiles with Aveda amenities.

One bedrooms

There are 5 x 400 sq. ft. deluxe rooms with balconies. The four rooms, **Timbuktu 1, 2, 3, 4** boast stunning views of Kingston while **Mountainview 1** perches over the mountains.

Deluxe Studios

There are 5 studios perched on our mountaintop - **Gong, Tree, Cedar, Bamboo** and **59 Steps**. Housing magnificent 4-poster beds with kitchenettes, bathrooms and balconies within a spacious 480 sq. ft., the studios are a favorite with our clientele. Each one has an uninterrupted view of the city.

Deluxe Villas

Birdshill is a magnificent 1,500 sq. ft. single story house with a Jacuzzi and a private terrace for dining and relaxing outside. The bedroom features a centrally placed four-poster bed, adjoining walk-in wardrobes and a comfortably spacious bathroom. Doors leading into the balcony from both the sitting room and bedroom allows for a large living space.

Highgate is a truly sumptuous 3,000 sq. ft. two story house. It features two bedrooms with bathrooms en suite; dining room; sitting room; kitchen; visitor's bathroom, and massive balconies that elegantly wrap around both floors. The master bedroom has walk-in wardrobes whereas both rooms have doors leading off to the balcony.

Mountain View 2 is a superb 3,200 sq. ft. double story two bedroom family house with the option to rent another bedroom, **Mountain View 1**, to accommodate large families or three or more couples. The extra bedrooms are located off an adjoining walkway, thus ensuring total privacy for all members of the group.

SPA:

STRAWBERRY HILL LIVING is the result of the Aveda and Strawberry Hill teams who have carefully designed a complete spa and rejuvenation regime.

Strawberry Hill's AVEDA® Concept Spa embodies AVEDA®'s commitment to wellness and beauty. The integration of Strawberry Hill's lush tropical gardens and winding trails with the AVEDA® Concept Spa provide the optimum environment for the journey into a sense of well-being; nature in harmony with humanity.

Use of the 5 elements – earth, air, fire, water and infinity – is in every treatment offered ranging from private bathing rituals to an Elemental NatureSM-based menu in the spa.

Futons, skipping ropes and free weights are available to complement the Yoga Shala, plunge pool and sauna. Guests are also encouraged to exercise in the pool, walking or running and around the community on walks and tours.

The Spa offers an exclusive Strawberry Hill Living Spa Menu – Flight of 5 Elements – to be used according to the technician's recommendations.
